

STANDARDS UPDATE

Bringing You The Latest News On Standards

DEC 2023

Check Out Newly Published Singapore Standards

Safety and Quality

1. [SS 536:2023](#) Code of practice for the safe use of mobile cranes

Biomedical & Health

2. [SS 696:2023](#) Specification for high containment (biosafety level 3) facility

Information Technology

3. [SS IEC 60812:2023](#) Failure modes and effects analysis (FMEA and FMECA)
4. [SS ISO/IEC 27001:2023](#) Information security, cybersecurity and privacy protection – Information security management systems – Requirements
5. [SS ISO/IEC 27002:2023](#) Information security, cybersecurity and privacy protection – Information security controls

Electrical & Electronics

6. [SS ISO 50006:2023](#) Energy management systems – Evaluating energy performance using energy performance indicators and energy baselines
7. [TR IEC/TR 61850-90-6:2023](#) Communication networks and systems for power utility automation – Part 90-6: Use of IEC 61850 for Distribution Automation Systems
8. [TR IEC/TR 61850-90-7:2023](#) Communication networks and systems for power utility automation – Part 90- 7: Object models for power converters in distributed

energy resources (DER) systems

9. [TR IEC/TR 61850-90-8:2023](#) Communication networks and systems for power utility automation - Part 90-8: Object model for E-mobility

10. [TR IEC/TR 61850-90-9:2023](#) Communication networks and systems for power utility automation - Part 90-9: Use of IEC 61850 for Electrical Energy Storage Systems

11. [TR IEC/TR 61850-90-16:2023](#) Communication networks and systems in power utility automations Part 90-16: Requirements of system management for Smart Energy Automation

12. [TR IEC/TR 61850-90-17:2023](#) Communication networks and systems for power utility automation - Part 90-17: Using IEC 61850 to transmit power quality data

Purchase International Standards Through the eShop

Discover a world of International Standards at your fingertips! Access [ISO](#) and [IEC](#) standards directly through the Singapore Standards eShop.

We are also able to fulfil your requests for other Overseas Standards such as British Standards (BSI), German Standards (DIN), Japan Standards (JIS), ASTM Standards, and more. Submit your requests through the [“Request for Quotation” service today!](#)

For more information or assistance, please reach out to us at Tel: 6826 9685 or via email at singaporestandardseshop@toppanleefung.com.

Subscribe to Singapore Standards for Cost Savings

Gain unlimited access to your preferred Singapore Standards anywhere, 24/7 through our user-friendly online subscription service.

When you subscribe, you can:

- Select the Singapore Standards that will meet your business needs.
- Opt for a flexible subscription period (starting from just one month) or an annual subscription period.
- Choose the number of users for your account: 1-5 users, 6-15 users or 16-25 users.
- Have unlimited online viewing (no downloading and printing) of your chosen standards 24/7.
- Access the revised versions of your chosen standards without additional charge.
- Enjoy substantial cost savings ranging from 50% to 70%.

For a personalised quotation, please email singaporestandardseshop@toppanleefung.com or call 6826 9685.

If you would like to subscribe to ISO or IEC standards, do contact us for more details.

Best Regards,

eShop Team
