## LEADING THE WAY IN SUSTAINABILITY

The SGBC-BCA Leadership in Sustainability Awards is a biennial programme organised by the Singapore Green Building Council (SGBC) and Building and Construction Authority (BCA) to recognise and celebrate outstanding achievements in built environment sustainability.

The Awards honour Singapore's exceptional green building professionals, pioneering organisations, and groundbreaking green building projects for their positive impact and significant contribution in advancing a green and sustainable built environment.

**Nominations for the SGBC-BCA Leadership in Sustainability Awards  
2024  
are now open for submission.**

---

## Award Categories

### Professionals

The *Professional Leadership in Sustainability Award* is open to professionals in built environment and sustainability related fields e.g. Architects, Builders, Engineers, Environmental Sustainability Consultants, Facilities Managers and other Green Building Professions.

### Businesses

The *Business Leadership in Sustainability Award* is presented to organisations that have meaningfully embraced sustainability into their business across three sub-categories:

**Impact  
Innovation  
Transformation**

### Building Projects

The *Building Project Leadership in Sustainability Award* is presented to exemplary green building projects that have achieved excellence in design, construction and operation across five sub-categories:  
**Carbon Performance  
Community Engagement  
Health & Wellbeing  
Intelligent Building  
Urban Renewal**

---

Nominations are now open and will close on  
**31 March 2024 at 11:59PM (GMT+8).**
