

12 Mar 2024

Dear ACES,

Warm greetings from the Association of Women in Construction Singapore (AWICS)!

It is with great honour and pleasure that I extend to you an invitation to join our International Women's Day 2024 (IWD2024) Summit on behalf of the Association of Women in Construction (AWiCS) Singapore.

The AWiCS IWD2024 Summit will be held on:

**Date:** 21 March 2024

**Time:** 1:00 PM - 4:30 PM

**Venue:** Orchard Singapore Hotel

**Theme:** Breaking Barriers, Building Bridges: Women in Construction

The AWiCS International Women's Day Summit (IWD) stands as our flagship event, symbolizing our unwavering commitment to empowering and celebrating women in the construction industry. Now in its 3rd edition, the half-day summit has evolved into a pivotal platform that unites professionals, leaders, and enthusiasts to address challenges, share insights, and promote diversity and inclusion.

AWICS is pleased to extend 5 complimentary delegate passes to your association to join us at this summit. We earnestly look forward to receiving your acceptance to the AWiCS IWD 2024 Summit at your earliest convenience.

You may click this link to register your delegates: [AWiCS International Women's Day Summit 2024 Delegate Registration Form - Association \(jotform.com\)](https://jotform.com/awics-iwd2024-delegate-registration-form)

Should you have any inquiries or require further information, please do not hesitate to contact us.

Thank you sincerely for considering our invitation.

Best Regards,

**For and on behalf of Association of Women in Construction (Singapore)**

## ABOUT IWD SUMMIT

The AWiCS International Women's Day Summit (IWD), the flagship event of the association, stands as a testament to the commitment of the Association of Women in Construction Singapore (AWiCS) to empower and celebrate women in the construction industry.

Now in its 3rd edition, the half a day summit has evolved into a pivotal platform that brings together professionals, leaders, and enthusiasts to address challenges, share insights, and promote diversity and inclusion within the construction sector.

## OUR THEME IWD2024

*Breaking Barriers, Building Bridges –  
Women in Construction*

In a world where progress and innovation are key, the theme "Breaking Barriers, Building Bridges: Women in Construction" encapsulates the transformative spirit and resilience of women contributing to the construction industry. This powerful theme not only acknowledges the hurdles that women face in traditionally male-dominated fields but also celebrates their indomitable spirit in overcoming challenges and constructing pathways to success.

ASSOCIATION OF WOMEN IN  
CONSTRUCTION (SINGAPORE)

## THE ORGANISER

The **Association of Women in Construction Singapore (AWiCS)** stands as a pioneering force in championing gender diversity and inclusivity within the construction industry. Established in year 2019 with a vision to empower and elevate women professionals in construction, AWiCS has emerged as a dynamic and influential organisation, actively shaping the narrative of equality and opportunity within the Singaporean construction sector.
