Subject: Invitation to participate in Industry Sensing Survey for Construction, 2024-2025

The Workplace Safety and Health (WSH) Institute is conducting a short sensing exercise to understand the WSH challenges that stakeholders in the Construction Sector may face in 2024/25. Your inputs will also help us gain insights into the emerging issues/headwinds ahead. The survey can also be forwarded to your colleagues, members of your organisation and association who may be keen to provide feedback on this topic.

The survey will take approximately 5 minutes to complete and respondents' answers will be kept strictly confidential.

To participate, simply click [here](#) or scan the QR code below. We would appreciate it if you could complete the survey by **21 Mar 2024**.

Thank you for your time and consideration, and we look forward to hearing from you and your members soon.

Regards,
Muhammad Hafiz
