

SGBC Bulletin – March 2024

Budget 2024

Establishing Our Priorities Ahead

Budget 2024 has been a central topic of discussion in the recent months. Commencing with the Budget Statement in mid-February, this was followed by the Committee of Supply Debates in March, where priorities and expenditures for the year ahead were discussed in depth.

With the theme of “Building Our Shared Future Together”, the Budget 2024 focuses on providing cost-of-living relief, upscaling the workforce, promoting artificial intelligence and sustainability for the future.

Scroll down to find out more on the priorities and measures introduced in Budget 2024.
