INTERNATIONAL BUILT ENVIRONMENT WEEK
4 – 6 September 2024 • Marina Bay Sands, Singapore

Elevate your IBEW experience with

LEARNING JOURNEYS

Explore groundbreaking projects and be inspired

Join us for a day of discovery and inspiration by visiting projects across Singapore to see how innovative built environment solutions work under real situations.

Limited spaces available

RESERVE YOUR SPOT TODAY

Site 1

HL-Sunway Prefab Hub (Advanced Construction)

Visit Singapore's largest integrated construction and prefabrication hub that is equipped with state-of-the-art technology. This project has also been awarded BCA Green Mark Gold.

Site 2

Jurong Port RMC Ecosystem (Advanced Construction)

Discover an ecosystem development that co-locates high capacity Ready-Mixed Concrete plants with aggregate importation, elimination of double handling for vessels with deep water berths and automated conveyancing systems.
(Available PM session only)

Site 3

New Bahru (Adaptive Reuse)

Explore the potential of evolving a school building into a focal point for the neighbourhood with flexible spaces for interaction, play and creation while preserving the characteristic architecture and spatiality of the old school grounds.

Site 4

Singapore Polytechnic (Human Capital / Robotics & AI)

A showcase of practical AI solutions to support employees to chart towards a data-driven digital transformation. Delegates will also learn about sustainable people strategies for a resilient workforce.

Site 5

The GEAR (Green Mark SLE Showcase / Robotics & AI)

Discover Kajima's brand-new regional headquarters, The GEAR, which is also a testbed for new solutions and is a living lab for experimentation, exploration, and co-creation.

Site 6

United World College SEA Dover Campus (Green Mark SLE Showcase)

Check out a retrofitting project of a 50 year old building that cleverly incorporates a Open Source Digital Dashboard and new technology to achieve the Green Mark Super Low Energy Platinum (GM SLE Platinum) accreditation.

**** All Learning Journeys have limited capacity, and are on a first-come first-served basis***
