

6 - 8 November 2024
Suntec Singapore Convention
& Exhibition Centre

Smarter Journeys for Sustainable Cities

Registration is now open!

Join us at SITCE 2024, Asia Pacific's leading public transport congress and exhibition to engage with key urban mobility industry players. This edition's theme "Smarter Journeys for Sustainable Cities" highlights innovative solutions for urban transport challenges with the participation of top industry leaders and experts.

Key Topics

- Building a Workforce Ready for the Future
- Automation and Autonomous Vehicles
- Electrification and Sustainable Urban Mobility
- Smart, Inclusive Transport with a New Culture for Commuters
- Sustainable Infrastructure and Asset Management
