

Subject: Exclusive Discount for ACES Members – BuildTrust® Manager Training Course

Dear ACES Members,

As professional consulting engineers in the built environment, you understand the importance of construction quality standards in delivering successful projects. We are excited to invite you to the upcoming **BuildTrust® Manager Training Course** organised by MBAS. This course is designed to deepen your understanding of **BuildTrust® quality standards** and how to apply them effectively across all your projects.

BuildTrust® is a construction project accreditation scheme developed by MBAS, supported by BCA, and designed specifically for **landed properties and micro projects**. It recognises and reward builders who deliver high-quality construction and helps minimise disputes with stakeholders.

Course Details:

 **Date:** 24th October 2024
