

<Health Carnival for Migrant Workers on Saturday, 26 October 2024, 3:00 pm – 9:00 pm>

Dear Young QS members,

Let's come together for a day of appreciation for the hardworking individuals who have contributed to building our nation and industry. Without them, we wouldn't have our beautiful skyscrapers or enjoy the infrastructure that provides us with endless convenience.

In collaboration with the Lighthouse Club Singapore, the SISV YQS Committee is proud to bring you a volunteer event supporting migrant workers. Volunteers are needed to assist with the Health Awareness engagement roadshow for migrant workers.

The event will be held on 26 October 2024, from 3:00 PM to 9:00 PM.

More details regarding logistics and the program will be shared by the end of September.

Please sign up soon and spread your support for our built environment community.
