# Standards Updates

Bringing you the latest news on standards

October 2024

## Upcoming Events

### Webinar on Key Updates to SS 558:2024 Intruder Alarm Systems

**Date:** 7 November 2024 (Thursday)

**Time:** 10:15 am - 11:30 am

**Venue:** Online via Zoom (*Link will be provided upon purchase of standard*)

This webinar provides essential insights into the latest operational and maintenance standards for alarm systems, including updates from the newly revised Code of practice for the construction, installation, operation and maintenance of intruder alarm systems. Designed for security professionals—SPF, MINDEF personnel, CAMS operators, design consultants, and engineers—this session ensures you stay compliant with crucial safety protocols while keeping pace with industry developments.

Interested participants will need to purchase a copy of **SS 558:2024** at **20% discounted** price of \$28.88 (before 9% GST).

## Smart Home Technology and Electrical Safety

### Launch of new standards in smart home technology and electrical safety

**Date:** 14 November 2024 (Thursday)

**Time:** 1:30 pm - 5:00 pm

**Venue:** NTU@One-North LT301, Level 3, 11 Slim Barracks Rise, Singapore 138664

The seminar will cover critical updates on smart home technology and electrical safety standards such as **TR 116:2023**, **SS 702:2024** and **SS 241:2024**, as well as delve into the significant advancements related to smart switched socket-outlets, smart plugs and electrical accessories.

Intended for professionals involved in design, installation and regulatory compliance, this seminar will help ensure their projects meet the highest standards of safety and performance.

Registration for the seminar requires the purchase of one of the following standards: TR 116:2023, SS 241:2024, or SS 702:2024. **20% discount** will be given for the purchase of these standards.
