

(ONLINE WORKSHOP) Practical Insights into Solar Photovoltaic Safety for the Built Environment

#### When

Mar 27, 2025  
(1:00 PM - 5:00 PM)  
(GMT+8)

 **Do you know the key hazards of Solar PV installation at your workplace?**

 **Solar panels on your building—are they truly safe?**

 **Could you be liable if a contractor gets injured installing solar panels on your property?**

With solar panels rapidly expanding across **HDB flats, private homes, commercial buildings, vacant land, and reservoirs**, safety is non-negotiable. Get expert guidance from **MOM, NUS, and industry specialists** in our **4-hour workshop**.

With installations surging, understanding fire and electrical hazards is more critical than ever. Know your risks and responsibilities. Stay ahead of potential risks with expert insights.

#### **Key Takeaways from this online workshop:**

- Ensuring Safe Installation of Solar Photovoltaic Systems
- Innovations and Challenges in PV Technology
- Advancing Solar Technologies for Sustainable Architecture
- Risk Management in Solar PV Operations
- Insured Risks & Best Practices for Solar PV Installations

**Secure your spot today and stay ahead in solar safety!**

Speaking the C-Suite's Language: ROI of Safety (July 2025)

From Clues to Corrections: Conducting Impactful Incident Investigations (Sept 2025)

## Speakers

### **Yann Ming Tan**

Senior Investigation Officer at Occupational Safety and Health Division, Ministry of Manpower

### **Serena Lin**

Senior Research Fellow, Head of Urban Solar Solutions at Solar Energy Research Institute of Singapore, NUS

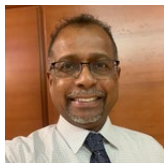

### **Carlos Clement**

Research Fellow, Head of Building Integrated Photovoltaics at Solar Energy Research Institute of Singapore, NUS

### **Jovan Cai**

Workplace Health, Safety & Environment Senior Officer at EDP Renewables APAC

### **Pooba Mahalingam**

Director, Training & Business Development of Talent Asia Training & Consulting

### **Ja'afar Karim**

Regional Asset Manager (Utility Scale), Renewable Generation Assets at EDP Renewables APAC
