SGBC Info Session:

China-Singapore Tianjin Eco-City

Market Opportunities

& Support Programmes

Thursday, 24 April 2025 | 3:00PM to 4:30PM (GMT+8) | Virtual Event

After 16 years of continuous development, the China-Singapore Tianjin Eco-City has made significant strides in urban development, ecological environment enhancement, smart city innovation, and industrial cluster growth.

The Central District, now more than halfway completed, is poised to become a vibrant international urban hub, anchored by a dynamic city centre designed for both business and leisure. The Eco-Island District, surrounded by water, highlights cutting-edge ecological restoration and water treatment practices, which have been successfully replicated across China. This district is set to evolve into a premier "Tourism

Island." Meanwhile, the Northeast District is home to a high-end biomedical industrial park and a state-of-the-art green logistics centre. Lastly, the North District, featuring a high-end business park and builders' apartments, is gearing up for comprehensive development over the next three to five years.

At this SGBC Info Session supported by the Sino-Singapore Tianjin Eco-City (SSTEC) and the Singapore University of Technology and Design (SUTD), find out more about the opportunities for Singapore companies looking to venture into the Chinese market. The virtual session will cover:

- An overview of the latest developments in the Eco-City, and business opportunities for Singapore companies
- SUTD Eco-City Research and Innovation Centre (SERIC) functions and programmes to support Singapore Companies to explore and test-bed projects in Tianjin
- Potential access to SUTD's cutting-edge research & innovation and SUTD's vibrant start-up community

Don't miss the chance to explore potential opportunities in China for your business.
