

For the attention of all FIDIC Member Associations

Dear colleagues,

We hope this e-mail finds you all well.

We're pleased to invite you to the **FIDIC Regional Contract Users' Online Conference – Americas and Caribbean 2025**, taking place on **7 May 2025**. This essential online gathering brings together professionals across the region – from government, finance and legal sectors to engineering, consultancy and construction – to discuss the evolving application of FIDIC contracts.

The one-day event features a concise yet high-impact programme, including expert-led sessions on contract drafting, risk allocation, effective project management and dispute resolution. Regional case studies will illustrate how FIDIC contracts are being practically applied in countries such as Brazil, Mexico, Ecuador and the Caribbean.

Kick off the conference with an essential keynote: Understanding FIDIC Contracts – A Global and Regional Perspective

Join industry leaders **Vincent Leloup** and **Aisha Nadar** for an insightful opening session that lays the foundation for the day. This keynote will explore the global relevance of FIDIC contracts and how they are being adapted across North America, Latin America and the Caribbean.

Participants will gain a clear understanding of the core features of FIDIC contracts, their evolution, and how these documents are tailored to diverse legal and project environments. The session will also address the varying levels of familiarity with FIDIC across the region, offering a crucial grounding for both newcomers and experienced users.

Expect key insights on:

- FIDIC's global role and regional presence
- Key features and practical application of the contracts
- Distinctive challenges in North America, Latin America and the Caribbean
- Emerging trends and recent updates

This is a must-attend for anyone looking to deepen their understanding of FIDIC contracts and prepare for the more detailed sessions ahead.
