

We seek ACES's assistance in disseminating this online survey on DfS to:

1. ACES members
2. Industry members who have attended ACES's DfS Training i.e. DfS-related courses for both DfSPs and non-DfSPs

The Workplace Safety and Health (WSH) Council would like to better understand the industry's practices, its development and implementation, and the challenges faced.

We invite stakeholders involved in Design for Safety (DfS) to share with us your practices and feedback through this [online survey](#) [Click the link or scan the QR code below]. The survey will take approximately 10 minutes. *This survey will close on 7 May 2025.*

The WSH Council is also organising a focus group discussion (FGD) on the implementation of DfS on **5 June 2025**. Should you be interested to attend, please fill out your details in Section 6 of this survey.

We thank you for your participation.
