Building Asia's Resilient Energy Future | 19 May 2025, 3:00PM

REGISTER INTEREST

Puah Kok Keong

Chief Executive
Energy Market Authority

Leong Wei Hung

Chief Executive Officer
Singapore LNG Corporation

At [SIEWConnects@Beijing](#), energy leaders and experts will convene on 19 May 2025 to discuss “Asia’s Resilient Energy Future”. This exclusive dialogue will explore how natural gas is shaping a secure, flexible, and sustainable energy future for Asia – a cornerstone in the region's long-term decarbonisation journey.

Don't miss the opportunity to:

- Gain invaluable insights into Asia's evolving energy landscape and market resilience
- Discover innovative strategies for integrating natural gas and renewables
- Network with like-minded industry leaders and decision-makers

Insights, innovations, and strategies await – don't miss out!

About SIEW

The [Singapore International Energy Week \(SIEW\)](#) is an official trademarked event organised by the Energy Market Authority (EMA). It is an annual platform for energy professionals, policymakers and commentators to discuss and share best practices and solutions within the global energy space. The 18th edition of SIEW will be held from 27 - 31 October 2025 in Singapore.

About Energy Market Authority (EMA)

The Energy Market Authority (EMA) is a statutory board under the Singapore Ministry of Trade and Industry. Through our work, we seek to build a clean energy future that is resilient, sustainable, and competitive. We aim to ensure a reliable and secure energy supply, promote effective competition in the energy market and develop a dynamic energy sector in Singapore. Visit <https://www.ema.gov.sg> for more information.

Building Asia's Resilient Energy Future

19 May 2025, 3:00PM

REGISTER INTEREST

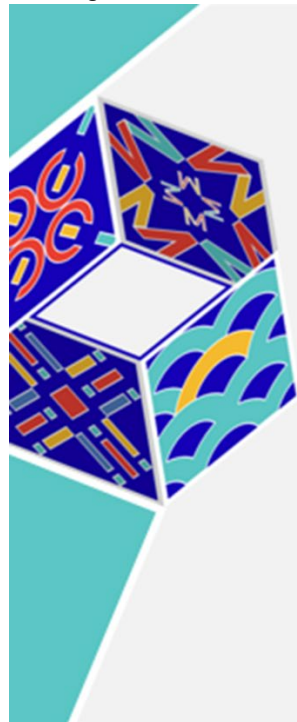

The energy landscape in Asia is evolving rapidly – and industry pioneers are gathering to drive this change! Join the exclusive dialogue at [SIEWConnects@Beijing](#) on "Building Asia's Resilient Energy Future".

Key discussions include:

- Optimising natural gas integration with renewables for a stable, low-carbon grid
- Strengthening supply chain reliability to boost regional energy security
- Developing future-ready infrastructure to support clean gases and long-term decarbonisation

These organisations have already secured their places:

- Economic Development Board Singapore
- Enterprise Singapore
- Singapore Embassy in Beijing
- Chevron
- g-EN Pte Ltd
- Global Energy Interconnection Development and Cooperation Organization
- HSBC Holdings
- International Society for Energy Transition Studies
- KBR
- Liyu Power
- OCBC China
- Regional Sustainable Energy Centre of Excellence for Sub Saharan Africa
- Runh Power
- PT PLN Nusantara Renewables
- S&P Global Commodity Insights
- Sembcorp
- Shanghai Futures Exchange
- Shell Eastern Trading
- Singapore LNG Corporation
- Sumitomo Mitsui Banking Corporation (China) Limited
- The Global Energy Alliance For People And Planet
- Woodside Energy
- United Petro Holdings Sdn Bhd

Connect with industry leaders for an afternoon of insightful discussions, strategic networking, and exclusive insights into Asia's energy transition.

Be part of the conversation – register now to not miss out!
