

**Dear REDAS Members & Friends**

***Not to be missed! REDAS Annual Flagship Real Estate Market Outlook (REMO) Seminar is back!***

Happening on **Thursday, 24 July 2025** from 9.00am to 5.00pm at the Pan-Pacific Orchard, this year's flagship event will be a premier gathering for like-minded business leaders, industry trailblazers and expert panels to engage with peers, expand your business network, establish business connections, discover the next investment trends, identify risks & opportunities, make informed investment decisions and more.....

We are honoured that **Ms Indranee Rajah**, Minister, Prime Minister's Office and Second Minister for Finance & National Development will be joining us for this year's event as our Guest-of-Honour.

This year is indeed special as it marks SG60, a significant milestone as a nation and a fitting occasion to commemorate SG60, reflect and re-imagine the real estate journey going forward.

A cornerstone event since 1999, this year's seminar will discuss the significance of the real estate market in the past 60 years and beyond, capturing the major milestones & turning points, its growth over the years and tomorrow's potential, the future of real estate,.

Additionally, an exciting panel of industry experts and thought leaders will share invaluable insights on the new economic order and market outlook and discuss strategies to navigate the next phase of real estate development in Singapore and the broader region. The discussion will also deep dive into the critical areas of business sustainability such as capital deployment, regulatory shifts, opportunities and risks in the new geopolitical environment as well as explore innovative financing mechanism, helping businesses track developments, pool resources and enhance coordination to promote cross-border connectivity projects.

***Register now for the Unmissable REMO Seminar!*** Engage and re-connect with a wide network of business leaders and industry thought leaders as we move into rest of 2025 and years ahead.
