The **Singapore International Green Building Conference 2025** (IGBC-SG 2025), organised by the Singapore Green Building Council (SGBC), will take centre stage on 9 – 11 July 2025 with three dynamic days of thought leadership and site visits. Industry leaders, professionals and sustainability practitioners will convene for insightful presentations, compelling panel discussions, site tours and tabletop exhibitions showcasing cutting-edge green solutions — all amidst unparalleled networking opportunities.

IGBC-SG 2025 will aim to address the critical levers for decarbonising the built environment, with key topics spanning Whole Life Decarbonisation, Retrofits and Adaptive Reuse, Human-Centric Metrics for Green Buildings, Smart, Data-Driven & AI-Optimised Buildings and more. Speakers will bring diverse expertise and experience —from government policymakers shaping Singapore's green building standards, to private-sector experts pushing the envelope on built environment sustainability. With multiple learning touchpoints, IGBC-SG 2025 offers a unique cross-sectoral platform to translate ambition into actionable pathways.

Register for a Conference Pass before 31 May 2025 to enjoy 28% off the full rate!

The IGBC-SG 2025 experience culminates with the prestigious **SGBC Gala Dinner 2025** for SGBC Members on 11 July 2025 — an evening of celebration and connection as we honour excellence in green building. Table bookings can be [made here](#).
