READY TO EXPLORE CORENET X?
TRY OUR TRAINING ENVIRONMENT TODAY

NO LIVE PROJECT NEEDED

Our CORENET X Training Environment mirrors the actual Submission Portal, letting you explore all features and processes before your first live project.

1

Create

Go to
https://training.corenet.gov.sg
and create your account with your email address!

5

More info

Ready to learn more? Dive into our detailed guide at:
https://info.corenet.gov.sg/overview/corenet-x-submission-portal

2

Choose

Select your desired profile* and begin exploring

4 default profiles are generated for you to access and simulate the submission process for different project members

Switch

Switch profiles on the homepage to see how your project team members use CORENET X!

4

Explore

Explore the functionalities of the selected profile and even create a mock project

Note: Do not use data and information from an actual project.
