

Bachelor of Construction Management (Building) (Honours) programme

No.	Course code	Course name
1	ARBE1101	Construction Technology 1
2	ARBE1102	Construction Ecology 1
3	ARBE1103	Digital Communication in the Built Environment
4	ARBE1105	Communication in the Built Environment
5	ARBE1301	Construction Law and Legislation
6	ARBE1305	Construction Technology, Sequencing and Representation
7	ARBE1306	Construction Management Fundamentals
8	ARBE2303	Health and Safety in Built Environment
9	ARBE2309	Construction Procurement and Tendering
10	ARBE3308	Building Information Modelling (BIM)
11	ARBE4102	Construction Technology and Services
12	CRGR1001	Unspecified elective
13	ARBE1304	Building Codes and Compliance
14	ARBE2301	Measurement of Building Works 1
15	ARBE2306	Maintenance Services and Rehabilitation
16	ARBE2307	Economics of the Construction Industry
17	ARBE2308	Cost Planning and Estimating
18	ARBE3100	Construction Technology 3
19	ARBE3101	Performance and Sustainability of the Built Environment
20	ARBE3301	Construction Project Planning
21	ARBE3304	Development Economics and Facilities Management
22	ARBE3305	Infrastructure Development
23	ARBE3306	Building Fire Safety and Compliance
24	ARBE3307	Contract Administration
25	ARBE3309	Measurement of Building Works 2
26	ARBE4121A	Research in the Built Environment A
27	ARBE4121B	Research in the Built Environment B
28	ARBE4310	Construction Business Strategy and Finance
29	ARBE4323	Work Integrated Learning Building Information Modelling (WILBIM)
30	CRGR2001	Unspecified elective
