

Dear valued partner,

Save the Date for Singapore's Standards & Conformance Celebration in June 2026

We invite you to save the date for our Standards & Conformance events in June 2026, as Singapore marks a momentous milestone – 60 years of standards development and 40 years of accreditation excellence.

For six decades, we have built a robust National Quality Infrastructure that strengthens trust, supports industry development, protects consumers, and enables seamless trade across borders. This progress has been made possible through close collaboration with our vibrant local ecosystem and esteemed international counterparts.

In celebration of this milestone year, we are delighted to invite you to the following events:
