

Dear All,

The Singapore Business Federation (SBF), in partnership with RSM Stone Forest, is pleased to invite your organisation to attend the **complimentary workshop** on **“Leading with Technology: Clarity, Control and Confidence”**.

Date: Thursday, 12 March 2026
Time: 2.30pm to 5.30pm (*doors open at 2.00pm*)
Venue: SBF Center, 160 Robinson Rd, #06-01, Singapore 068914

This CTOaaS workshop equips leaders with the digital fluency needed to drive innovation, efficiency, and organisational resilience. You’ll unpack core technology concepts, explore the growing impact of AI and automation, examine the "build, buy, or partner" decision through an interactive breakout activity, and gain practical strategies for managing technology risk in outsourced and cloud environments—all while strengthening collaboration between business and IT.

Key learning outcomes include bridging the gap between business strategy and technology execution, IT management must-haves and decision-making frameworks, strengthening risk oversight in outsourced IT arrangements and a crafted technology game plan.

Designed for business unit heads, general managers, leads in finance, operations, and HR, transformation and innovation leads, and anyone seeking to improve collaboration and accountability between business and IT.

Please register [HERE](#) to secure your complimentary seat and find out more information about the workshop. If this is not relevant to you, we would appreciate your kind assistance in forwarding the invitation to your colleague for consideration.

If you require further clarification, please feel free to contact our representatives – christopher.choo@sbf.org.sg or zoey.phay@sbf.org.sg. We look forward to your registration and active participation.

Thank you.

Regards,
Smart Technologies and Sustainability Division
