I refer to the quarterly IACC coordinated batch release of agency circulars.

As per members' previous request, we are forwarding the email broadcast from CORENET X Info on the **8 circulars batch published on 2 Mar 2026** – for your ease of reference and/or onward circulation to your colleagues and members, if required.

Dear Industry Professionals,

COORDINATED QUARTERLY RELEASE OF REGULATORY CIRCULARS BY AGENCIES

Since 5 Jul 2019, the Inter-Agency Coordinating Committee (IACC) has embarked on an initiative to coordinate the release of the respective regulatory agency circulars in batches. This is to address the industry's feedback on the need to keep track of the various agencies' circulars, and suggestion for greater coordination

This initiative covers primarily circulars on regulatory and/or technical requirements. At the same time, whenever possible, the relevant agencies will incorporate a grace period of at least 6 months before the requirements come into effect. Requirements which are time sensitive, such as safety related, or relaxations, may however not be subject to this initiative.

Releases follow a Mar-Jun-Sep-Dec cycle. The current Mar 2026 batch of 8 published circulars are summarized below. You can access the circulars via our new portal at <https://info.corenet.gov.sg/resources/circulars>.

Thank you

On behalf of [IACC Secretariat](#)

Best Regards,
CORENET X
