

Dear CEE friends and Alumni,

The Department of Civil and Environmental Engineering (CEE), NUS College of Design and Engineering would like to invite you and your colleagues to the 🌿 **2026 Environmental & Sustainability Engineering Symposium** 🌿

 **Date: 8 April 2026, Wednesday**

 **Time: 2 - 6 p.m.**

 **Venue: Engineering Auditorium, 9 Engineering Dr 1, Singapore 117575** [[Google Maps](#)]

The primary goal of this Symposium is to provide a platform for final year undergraduate students in [Bachelor of Engineering \(Environmental and Sustainability Engineering\)](#) to share their projects with a diverse external community through poster presentations. We believe that the Symposium will promote interactions among faculty members, students, alumni, experts from industry, research institutes, government agencies, and other sustainability practitioners.

This year, we are honoured to have [Ms Isabella Huang-Loh, PBM](#), **Chairman of the Singapore Environment Council**, as our Guest of Honour.

More highlights of the Symposium:

Invited Talks

This year's Symposium will feature leaders in Singapore (listed in alphabetical order by surname):

- [Hui Chng Chan](#), Executive Director & Head of Sector - Water, Jacobs
- [Tuck Wai Lee](#), Founder & CEO, Upconverge
- [Tridansh Bahadur Pandey](#), Director & COO, JTS Holdings (SG) Pte. Ltd.
- [Heng Liong Tiong](#), General Manager & Finance Director, Vector Green Pte. Ltd.

Poster Presentations

BEng (Environmental and Sustainability Engineering) students will be presenting pioneering research related to emerging topics, such as:

- AI for resource and climate management
- Waste/CO₂-to-X upcycling
- Bioenergy & hydrogen
- Advanced treatment and processes
- Emerging pollutants monitoring and control

Please feel free to register online at https://nus.syd1.qualtrics.com/jfe/form/SV_0jjOvU2Vak2axMy

We look forward to seeing you and your colleagues at NUS!

Yours sincerely,

Iris

Chair of NUS ESE Symposium 2026

Dr. Iris Yu | Assistant Professor

Department of Civil and Environmental Engineering, National University of Singapore

MIT Technology Review Innovators Under 35 Asia Pacific :: L'Oréal-UNESCO for Women in Science Singapore :: Fellow, Royal Society of Chemistry :: ACS GCI Rising Star in Green Chemistry Education
