

INDUSTRY BRIEFING

PUB SINGAPORE'S
NATIONAL
WATER AGENCY

COASTAL PROTECTION CODE OF PRACTICE

New
session

Learn about Singapore's new Coastal Protection Code of Practice and the standards that will shape coastal protection measures, from planning to maintenance. This briefing will highlight key requirements relevant to coastal landowners and Qualified Persons undertaking coastal protection works.

Event Details*

30 April 2026
9.00am to 1.00pm

ENV Building
Level 25, MSE Hall
