

Young Professional Standards Bootcamp

24 April 2026 (Friday)
9.30 AM – 5.00 PM
NTU@One-North, LT301
11 Slim Barracks Rise, Level 3
Singapore 138664

Standards Bootcamp: Understanding the Development of Singapore Standards

Are you eager to understand the meticulous process behind the development of Singapore Standards? Curious about how industry inputs and stakeholder perspectives shape the creation of a standard?

Join us for the Standards Bootcamp, designed to empower Young Professionals to actively engage in the Singapore Standardisation Programme. This workshop offers a unique opportunity to contribute to the development of standards while expanding your professional knowledge and network. Whether you're new to our programme or seeking a deeper understanding, this workshop is tailored for you.

Workshop Highlights

- **Insightful Experience:** Gain firsthand experience in the step-by-step development process of a standard.
- **Interactive Participation:** Engage in a simulated Working Group meeting to understand the dynamics of standard development.
- **Consensus Building:** Explore how consensus is achieved during the development of a standard.

What to Expect:

Prepare to immerse yourself in a blend of training, discussions, and role-playing activities focused on the development of a standard. This workshop promises an enriching and interactive learning experience.

(Note: Bring along your laptop for the activities)

Who Should Attend?

This Bootcamp is tailored for Young Professionals: Individuals aged 40 and below who are eager to delve into the realm of standardisation and contribute to the development of Singapore Standards.
