

Dear All,

The Singapore Business Federation (SBF) is pleased to invite your organisation to attend the **complimentary workshop** on “**AI Quickstart Program Series: Accelerate Your Business Growth with Secure AI**”, co-organised with **Crayon** and **Axiom**.

**Date:** Tuesday, 5 May 2026  
**Time:** 3.00pm to 5.00pm (*Registration from 2.30pm*)  
**Venue:** SBF Center at Level 6, 160 Robinson Road, Singapore 068914

Discover how AI agents — powered by Microsoft Copilot Studio and Axiom AI Voice Agents — can transform daily operations and automate workflows, and the grants available. This exclusive workshop is designed to provide participants with actionable ideas to identify automation opportunities, reduce manual intervention, and leverage AI-enabled solutions to drive greater operational efficiency and business resilience.

What To Expect:

- Explore **real-world use cases** across customer service, sales, and operations
- Discover how **specialised AI agents** — including Voice, Sales, Booking, and Operations agents — collaborate seamlessly to handle customer calls 24/7, qualify leads, and trigger workflows within your existing Microsoft 365 environment
- Gain perspectives on how your SME can leverage **up to 50% grant support** to adopt these solutions at half the cost, reducing manpower dependency and boosting productivity from day one

Please [REGISTER](#) to secure your complimentary seat and find out more information about the workshop. Please note that each business is entitled to a maximum of two complimentary seats. If this is not relevant to you, we would appreciate your kind assistance in forwarding the invitation to your colleague for consideration.

If you require further clarification, please feel free to contact our representative [zoey.phay@sbf.org.sg](mailto:zoey.phay@sbf.org.sg). We look forward to your registration and active participation.

Thank you.

Regards,  
Smart Technologies and Sustainability Division  
Singapore Business Federation
