

Greetings from the Consulting Engineers Association of India (CEAI).

I hope this message finds you well.

As the Local Supporting Organisation for the FIDIC Global Infrastructure Conference (GIC) 2026, it is my privilege to invite you and your respective Member Associations from the Asia-Pacific region to actively participate in this flagship global event, to be held from 13–15 September 2026 at Hotel Andaz, Aerocity, New Delhi, India.

The theme of the conference, “**Engineering a Bright Future, Together: Quality Infrastructure for People and Prosperity**,” reflects our shared commitment to advancing sustainable, resilient, and inclusive infrastructure across our region and beyond.

The Asia-Pacific region continues to play a pivotal role in shaping the global infrastructure landscape. GIC 2026 offers a valuable platform for our region to come together to:

- Share insights and experiences from diverse infrastructure markets
- Engage in global discussions on financing, climate resilience, and digital transformation
- Strengthen collaboration and partnerships across FIDIC Member Associations
- Showcase the region’s capabilities and contributions on a global stage

In this regard, I would sincerely request your support in:

- Encouraging participation from your member firms and professionals to attend and engage in this global forum
- Promoting GIC 2026 across your networks and communication channels to ensure strong regional representation

We are committed to making GIC 2026 a truly inclusive and impactful conference, with meaningful participation from across the Asia-Pacific region. Your leadership and support will be instrumental in achieving this objective.

Registration for the event is now open and also the various hotel stay options have been provided on the FIDIC website. Should you require any additional information, please feel free to reach out to us.

We look forward to welcoming you and your members to New Delhi for what promises to be a landmark event for our industry.

Warm regards,

Prashant Kapila
President
