Your Invitation to the FIDIC Global Infrastructure Conference 2026 in New Delhi, India

Dear valued FIDIC Member,

I would personally like to thank you for your continued support to FIDIC and for the important role you play within our global community. The strength of FIDIC has always come from the commitment, expertise and collaboration of our members around the world, and it is this shared spirit that makes our annual Global Infrastructure Conference such a special and important event for our industry.

Preparations for **FIDIC GIC 2026** are in full swing and progressing well. **I warmly encourage you to start making your bookings now to join us in New Delhi, India, from 13-15 September 2026**, for what promises to be an inspiring and highly valuable gathering of global infrastructure leaders and professionals.

This year's conference theme, ***Engineering a Bright Future, Together: Quality Infrastructure for People and Prosperity***, will explore how the industry can deliver sustainable, resilient and high-quality infrastructure that supports both communities and economic growth in an increasingly complex and fast-changing world.

The Membership Programme breakdown is already available on the website. Thanks to your valuable feedback, we have also made some changes to the structure and content of the two-day conference, including **hosting up to eight parallel sessions in the afternoon programme of Day 2**. I encourage you to be part of this important conversation and to join FIDIC members, partners, and industry leaders from around the world as we work together to shape the future of infrastructure delivery.

We recommend registering at your earliest convenience, as visa processing can vary and may require additional time depending on individual circumstances. **Please note that discounted hotel accommodation room blocks will be released shortly.** We strongly encourage you to take advantage of this opportunity as Delhi will be hosting two other major events during the same period.

You can find further information on the conference website: <https://events.fidic.org/GIC26>

We very much look forward to welcoming you to New Delhi for this important global gathering.

Yours sincerely,

Susanna Zammataro
Chief Executive Officer
