Discover the Next Generation of Mobility Solutions at SUMW 2026

Dear Industry Partner,

Global mobility leaders, transport authorities, operators, infrastructure specialists, and technology providers will come together to shape the future of land transport at [Singapore Urban Mobility Week \(SUMW\) 2026](#).

The SUMW exhibition will allow you to get hands-on with the products, technologies, and solutions redefining how cities move – from autonomous and connected mobility, intelligent and AI driven transport systems, smart infrastructure, sustainable transport solutions, and beyond.

Experience firsthand the innovations transforming urban transport, and engage directly with the stakeholders driving the transition to a smarter, more connected and future-ready mobility ecosystem – Secure Your Free Trade Pass today.

A Snapshot of Mobility Leaders Participating in SUMW 2026

Explore Our Growing Line-Up of Exhibitors

Why You Should Attend SUMW 2026

Explore technologies, systems, and services spanning public transport, autonomous mobility, electrification, infrastructure, and intelligent transport systems, all in one place.

Gain on-ground insight into emerging trends, market conditions, policy directions, and infrastructure priorities across the region and beyond.

Engage directly with solution providers, transport operators, government agencies, and industry leaders to identify collaboration opportunities that matter.

Understand how Rail, Bus, Roads, and Intelligent Transport Systems integrate to form efficient, connected and sustainable networks.

Upgrade Your Trade Pass for Conference Access

Upgrade your trade visitor pass to our 3-day Conference Pass to gain deeper insights and access the full programme at SUMW. Take advantage of the Early Bird Special and save up to 20% off the standard rate.
