Technical Visit to Intertek Testing Labs

Date: 9 July 2026 (Thu)

Time: 3.00 pm to 6.00 pm

Mode of Delivery: In-person

Venue: Intertek premises

Asiawide Industrial Building, 5 Pereira Road #01-02 Singapore 368025

CPD: PDU to be confirmed

Fee: Complimentary for ACES Members

Get an inside look into Intertek's electrical testing laboratories in Singapore. This guided visit offers practical and technical exposure for participants to witness and understand about an accredited and competent testing of electrical equipment for their compliance to safety and performance to standards such as IEC, SS and other national standards. Overall, the session will cover switchgear, EV chargers, appliances, chemical testing of materials, in which all are relevant to ensure product compliance and acceptance when specified by Consultants.
