The graphic is a promotional banner for the SIEW Summit Day 2 Pass. It features a dark teal background with white and light blue text. On the left, it displays the date '27 OCTOBER 2026' and the event title 'SIEW Summit Day 2 Pass'. Below the title, it lists the 'Early Bird Rate' as 'S\$2,490' and the 'Rack Rate' as 'S\$3,190'. A 'Register Now' button with a right-pointing arrow is positioned to the right of the rack rate. On the right side of the banner, there is a white box with a teal header '27 OCT | SIEW Summit Day 2 Pass'. Below the header, it lists 'PASS INCLUDES' with three bullet points: 'SIEW Summit' (which includes the Singapore-International Energy Agency Forum, Singapore-International Renewable Energy Agency (IRENA) High-Level Forum, and International Atomic Energy Agency (IAEA)@SIEW Forum, with a 'NEW' tag next to the last item), 'SIEW Summit Reception', and 'SIEW Energy Showcase'. To the right of the white box is the SIEW logo and a 3D graphic of a cube with colorful rings inside.

The Energy World Meets in One Day.

On 27 October, SIEW 2026 will bring together three of the world's leading international energy organisations — the **International Energy Agency (IEA)**, the **International Renewable Energy Agency (IRENA)**, and the **International Atomic Energy Agency (IAEA)** — for a day of high-level dialogue on the issues that matter most.

Global policymakers, industry leaders, and international organisations will convene to exchange perspectives on energy security, system resilience, regional connectivity, and emerging transition pathways.

For the first time, these forums will come together under the SIEW Summit umbrella. The future of energy is interconnected — and so are the conversations shaping it.

Don't miss your chance to be part of it! [Register Now.](#)

SIEW SUMMIT DAY 2

27 OCTOBER

This dialogue promotes discussions, knowledge exchange and forward-looking strategies to secure our energy future.

This forum will discuss financing energy transitions, and renewable energy development in Southeast Asia and beyond.

[IAEA@SIEW Forum](#) ^{*NEW!}

The inaugural IAEA@SIEW Forum will bring together policymakers and industry experts to discuss advancing nuclear energy readiness and the role of nuclear technologies in supporting a secure and sustainable energy future.

UPGRADE TO THE FULL SIEW SUMMIT EXPERIENCE

Maximise your SIEW experience with full access across both days of the SIEW Summit.
