We are proud to announce that Singapore International Energy Week's (SIEW) 2025 edition won two prestigious awards at the Singapore MICE Awards 2026 — **International Event of the Year** and **Event Organising Team of the Year**!

- The **International Event of the Year** award celebrates the success of the SIEWConnects series, which has brought the SIEW energy conversation to key markets around the world and connected policymakers, industry leaders and energy experts across the global energy ecosystem.
- The **Event Organising Team of the Year** award is a proud recognition of the passion, commitment and teamwork behind SIEW, and our continued drive to deliver a world-class platform for meaningful energy dialogue and collaboration.

We would like to thank our partners, sponsors, vendors and the global energy community for their strong support and in making SIEW a global success.

As we celebrate this double triumph, we are excited to invite you to join us at SIEW 2026, where we will continue bringing the global energy community together to connect energy systems and power tomorrow.

Under the theme “Connecting Energy Systems, Powering Tomorrow,” SIEW 2026 will convene policymakers, industry leaders, investors and innovators to address the priorities shaping secure, resilient and sustainable energy systems.
