About SIDEX-ACDR in conjunction with FiSAC

The fifth edition of the Fire Safety Asia Conference (FiSAC) returns this year, alongside The Singapore-International Disaster & Emergency Management Expo - Asian Conference on Disaster Reduction (SIDEX-ACDR).

This 3-in-1 event is poised to be the premier platform for Fire, Rescue, Emergency Medical Services, Disaster Management and Emergency Response Professionals to exchange expertise, foster collaboration, and fortify exhibitors' brands with esteemed professionals in the field of disaster management and emergency response.

FiSAC 2026 Highlights

2-day conference featuring presentations by **14** distinguished local and international speakers on Emerging Fire Risks, Digital Transformation in Fire Safety & Response, and the Future of Fire Safety & Sustainable Eco Design

Interactive half-day workshops by **A-CERTS, FSMAS and IFE** on fire safety topics
