 2 – 4 September 2026 |  Hall A, Level 1 |  Marina Bay Sands, Singapore

Visit the [ConTech Exchange \(CTx\) Pavilion](#) to discover innovative solutions from promising construction startups across the region.

Experience emerging technologies, meet industry innovators, and explore how digitalisation, automation and sustainability are shaping the future of the built environment.

The [CTx Pavilion](#) will showcase Singapore's emergence as a global ConTech hub by featuring innovative local and international start-ups and their solutions that address challenges throughout the building lifecycle. The expanded Pavilion will also host a series of knowledge-sharing sessions and live technology demonstrations at the BEyond Stage.
