

To:

Chairmen / Presidents of Associations

Executive Directors of Association

On a monthly basis, Enterprise Singapore invites comments on Singapore Standards from the public to seek feedback on the development of Singapore Standards. These Singapore Standards are based on an open system and the principle of consensus which are in accordance with the WTO & international standardisation requirements.

We wish to invite comments from your association on the standards that are relevant to you:

Title of Standard	Type	Closing date
Clinical investigation of medical devices for human subjects – Good clinical practice (Revision of SS ISO 14155:2020) (Identical adoption of ISO 14155:2026)	Revision	8 October 2026

Code of practice for fire hydrant, rising mains and hose reel system (Revision of SS 575:2012+A1:2021)	Revision	8 October 2026
Amendment No. 1 to Code of practice for renewable energy certificates (SS 673:2021+C1:2021)	Amendment	8 October 2026
Code of practice for the processing and handling of cook-chill food (Revision of SS 630:2017)	Revision	8 October 2026
Specification for protective helmets for motorcyclists (SS 9:2014)	Withdrawal	8 October 2026
Specification for timber flat pallets (SS 334:2010)	Mature	8 October 2026
Data centre infrastructure – Direct current power architecture – Design and operation requirements	Commence ment of new work	8 September 2026
Electrical energy storage (EES) systems – Part 5-2: Safety requirements for grid-integrated EES systems – Electrochemical-based systems (Modified adoption of IEC 62933-5-2:2025)	Commence ment of new work	8 September 2026
Guidance for the development of emissions factor registry – Governance and maintenance framework	Commence ment of new work	24 August 2026

Guidelines for AI solution deployment and life cycle management	Commence ment of new work	24 August 2026
Fire-resistant cables of rated voltage up to and including 600/1000V for fixed installations, having low emission of smoke and corrosive gases when affected by fire – Requirements and test methods (SS 299:2021) (Modified adoption of BS 6387:2013)	Review	8 September 2026
Electrical energy storage (EES) systems – Safety considerations for grid-integrated EES systems – General specification (TR 77-2:2020) (Modified adoption of IEC TS 62933-5-1:2017)	Review	8 September 2026
Environmental management system – Requirements with guidance for use (SS ISO 14001:2015+A1:2024)	Review	8 September 2026
Terminology and abbreviations for the Permanent Way (TR 81:2020)	Review	8 September 2026
Maintenance regime for the Permanent Way (TR 85:2021)	Review	8 September 2026

*NOTE – Details of the Singapore Standards for public comment can be found in the attached notice. Users can login at the [Singapore Standards eShop](#) and view the drafts and standards during the public comment period.

Your comments will be taken into consideration before the standards are finalised.

We would appreciate it if you could inform your staff and members about the public comment.

You may wish to sign up for e-alerts ([click here](#)) to receive notifications on standards for public comment and/or information on new / revised standards and sale promotions from our appointed vendor, Toppan Next.

Thank you and have a great day!

On behalf of:

Chiu Ya Ting (Ms)

Deputy Director (Manufacturing and Standards Publication)

Standards Division
