

If you are having trouble reading this email, [read the online version](#).

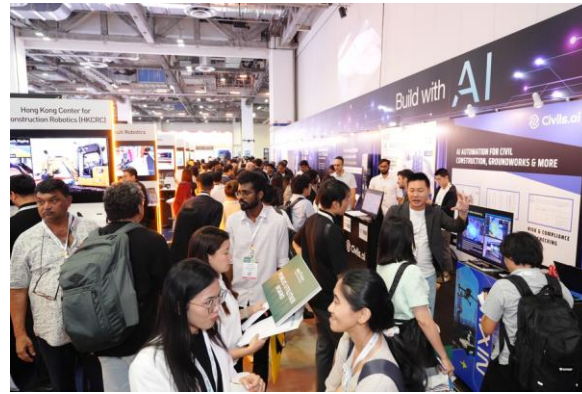

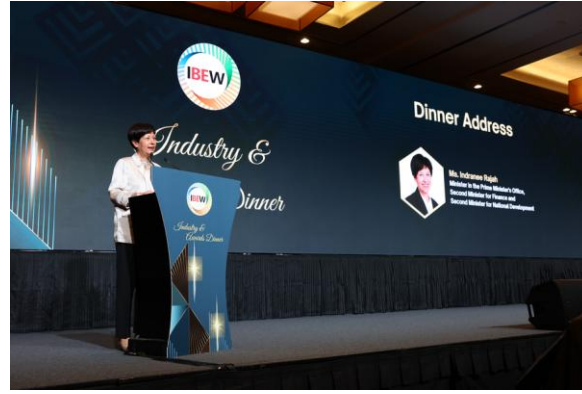

Over three inspiring days, industry leaders, innovators and built environment professionals came together to exchange ideas, challenge perspectives and explore the opportunities and challenges facing our industry.

From empowering people and developing talent to harnessing AI and accelerating sustainability, the conversations at IBEW highlighted the importance of collaboration in driving meaningful progress across the built environment ecosystem.

Our speakers generously shared their expertise, experiences and real-world applications, demonstrating how people, technology and innovation can come together to deliver greater productivity, resilience and impact.

Beyond the conference, IBEW 2026 also marked the successful conclusion of the Construction Startup Competition (CSC) APAC Pitch, ConTech Summit and ConTech Pavilion. We extend our sincere appreciation to all participants, partners and supporters whose contributions helped make these initiatives a success.

We would also like to congratulate and thank the winners of the Industry & Awards Dinner for their outstanding achievements and contributions towards building a more sustainable, resilient and liveable Singapore.

Thank you once again for being part of the IBEW community.

We look forward to welcoming you back as we continue to connect, collaborate and shape the future of the built environment together.

IBEW is spearheaded by BCA International, a wholly owned subsidiary of the Building and Construction Authority, in partnership with RX Singapore.
