

Acting Chair's Message

Welcome to the latest edition of the CEE newsletter.

This month, we celebrate the achievements and dedicated service of our alumni through the **CEE Alumni Awards**. We were also pleased to welcome participants to the second edition of the **CEE Summer Camp**, which focused on the built environment sector and its role in shaping sustainable and resilient cities.

We extend our warmest congratulations to **Professor Grzegorz Lisak** on his promotion to Full Professor, as well as to the recipients of the **CEE Awards** for their outstanding contributions and accomplishments.

In this issue, we also highlight the achievements of our students, showcasing their initiative, creativity, and pursuit of excellence.

I hope you enjoy this edition and join us in celebrating the many milestones of the CEE community.

Warm regards
Prof Lim Teik Thye
