

Meet the Leaders Shaping the Future of Urban Mobility at SUMW 2026

Dear Industry Partner,

How can cities build transport systems that are more connected, resilient and ready for what comes next?

Singapore Urban Mobility Week (SUMW) 2026, taking place from **4 - 6 November 2026 at Suntec Singapore Convention & Exhibition Centre**, brings together policymakers, transport authorities, operators, technology leaders and industry experts from Singapore and around the world to exchange ideas, share practical experience and explore the future of urban mobility.

Across three days, discover strategic conversations, real-world case studies and new approaches spanning autonomous mobility, infrastructure, public transport, rail, technology and workforce transformation.

Be part of the conversations moving urban mobility forward.

Leaders Summit: Four Conversations Shaping the Future of Transport

4 November 2026 | Suntec Singapore Convention & Exhibition Centre

Taking place on the afternoon of 4 November, the **Leaders Summit is the centrepiece of SUMW**, serving as a high-level platform to showcase Asia's key achievements in land transport and spotlight the discussions that matter for the future of mobility.

Chaired by leaders from **Singapore's Land Transport Authority (LTA)**, four panel discussions will bring together perspectives from global transport authorities, operators, technology companies and academic institutions.

Why Join Leaders Summit?

- Learn how global leaders are tackling urban mobility challenges
- Gain practical insights from real-world transport projects
- Explore strategies across rail, workforce and autonomous mobility
- Connect with government and industry decision-makers

- Earn Professional Development Units (PDUs)

Panel Chair:
The Future of Mobility:
Through the Lens of the Commuter

Lim Zhi Jian

**Chief Operating Officer /
Deputy Chief Executive
(Public Transport, Policy & Planning)**

Panel Chair:
Beyond the Tracks: Renewing Assets,
Driving Digitalisation, Shaping Tomorrow

Yee Boon Cheow

**Deputy Chief Executive
(Infrastructure & Development)**

Panel Chair:
Building the Human Edge in Transport

Mark Tan

**Deputy Chief Executive
(Corporate & Development)**

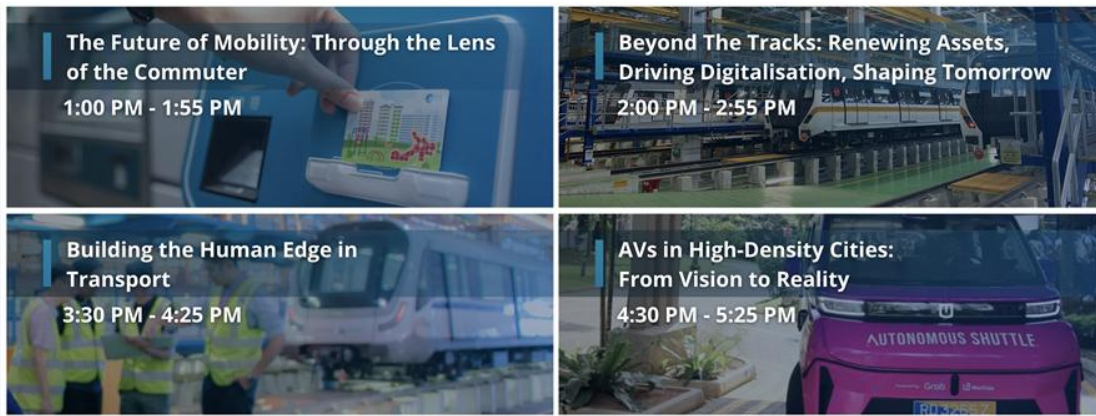

Panel Chair:
AVs in High-Density Cities:
From Vision to Reality

Lam Wee Shann

**Chief Technology Officer /
Deputy Chief Executive
(Technology)**
