## TW.2 Lee Kuan Yew Water Prize Laureates Roundtable: "Game-changing Technologies for a Sustainable Water Future"

22 June 2021 (Tuesday), 9.00pm-10.30pm SGT (GMT+8)

The Lee Kuan Yew Water Prize was established in 2008 to honour the best minds in water solutions. To-date, eight Laureates have been awarded this prestigious Prize to recognize their contributions towards solving the world's water challenges by developing or applying innovative technologies, policies or programmes which benefit humanity.

This roundtable brings six of our Laureates together for the first time in a special webinar. In this session, our esteemed speakers will share their insights on the global trends and advances in science and innovation, and changes in approaches in technology development and implementation that would be necessary to tackle emerging urban water challenges and meet the SDGs.

### Participating Laureates:

**Dr Andrew Benedek**  
(2008 Laureate)

**Dr James Barnard**  
(2011 Laureate)

**Professor Mark van Loosdrecht**  
(2012 Laureate)

**Orange County Water District**  
(2014 Laureate)  
(represented by Mike Markus)

**Professor John Anthony Cherry**  
(2016 Laureate)

**Professor Rita R. Cowell**  
(2018 Laureate)

### Moderator:

## NOTE TO REGISTERED DELEGATES AND TRADE VISITORS

**[An Invitation] Contribute your ideas towards creating an Action Plan to meet the SDG2030!**

**[TW.15 Water Industry Transformation to Achieve SDG2030 – Overcoming Bottlenecks](#)**

30 June 2021 (Wednesday), 4.00pm-5.30pm SGT (GMT+8)

With 2030 closely approaching, the concern for the global community to achieve the Sustainable Development Goals is rising.

This workshop will discuss how SDG6 on Water and Sanitation interlinks with the other goals, and identify the barriers, bottlenecks and low-hanging fruits in policy, technology and implementation. The main outcome of the workshop is to develop a list of possible action plans for water utilities to lead the water industry transformation in achieving SDG2030.

We invite all registered delegates who wish to contribute your ideas towards the action plan to sign up for this workshop and the breakout discussion.

To register your interest, click [HERE](#).
