BTA | **BuildTech Asia** • Digital Series 2021 **WEBINAR**

7 JULY 2021 | WEDNESDAY

4 PM - 5 PM
SINGAPORE TIME, GMT 8+

Chandrashekhar Hampiholi
Principal BIM Manager
Surbana Jurong

“ **How Digital Engineering is Transforming the Construction Industry** ”

Sankar S. Villupuram
Digital Services & Products Leader,
East Asia Arup Singapore

IDD for the Built-Environment

To deliver smart buildings, it is imperative to say that collaboration and integration of digital technologies across this wide spectrum becomes the key driving force.

Demystify Artificial Intelligence to fire up aspirations of Built Environment

Engineering industry is known for the rigor and discipline with their work whereas the technology industry testing process easily done in a production environment, call it "iterative agile".
