BUILDING RESILIENCE AND AGILITY IN THE FACE OF ADVERSITY

Drawing lessons from the COVID pandemic, we recognize the urgency for a more resilient and agile built environment ecosystem, where all stakeholders in the value chain work together to overcome challenges and better protect the sector against future shocks, and find new growth opportunities.

IBEW 2021 has invited renowned built environment leaders to offer insights on how we can build a robust industry value chain. Join us and find out how you too can enhance your resilience and agility, and create value for your business in the face of adversity. **Sign up now to enjoy early bird rates!**
