WES 2021, Singapore
10 November – 12 November 2021

**WORLD
ENGINEERS
SUMMIT**

Engineering towards a Post-Pandemic Sustainable World

A focus point for ideas, research findings and best practices on engineering solutions toward a Post-Pandemic Sustainable world. WES 2021 will address a range of critical issues on how engineering could help to contribute toward sustainability in a Pandemic and Post-Pandemic World. WES 2021 Technical Committee invites the submission of technical papers for presentation at the summit, in the following areas:

Track 1	Track 2	Track 3	Track 4	Track 5	Track 6
<i>Sustainable Living Through Technology</i> Urban planning integrated with Smart Systems Low Carbon Economy Renewable Energy Waste Management & Circular Economy Climate Change Mitigation	<i>Future Engineering and Industry 4.0</i> Green Manufacturing Food Processing & Storage ICT Infrastructure / Data Centre Modelling & Simulation Advanced Storage Systems	<i>AI and Digitalisation</i> Energy Standards Sensor & Data Flow Ethical issues with AI	<i>Sustainable Urban Mobility</i> Active Mobility Electric Vehicles Autonomous Vehicle Sustainable Railway	<i>Engineering Education</i> Technology Enhanced Learning Accreditation Framework Engineers and Society	<i>Impact of New Technologies on Productisation, Safety and Human Factors Practices</i> Standardisation Research & Commercialisation Safety Standards Design for Safety and Sustainability (DfSS) Design for Inspection (Dfi) Human Factors Training

Submission of Abstract via EasyChair

All authors are required to sign up for an account with EasyChair for the submission of your abstract.

Please click [HERE](#) to submit your abstract of not more than 300 words. A guide on submission of your abstract via EasyChair is available [here](#).

The authors of the abstracts, selected by the Abstract Review Committee which comprises of various field experts, will be informed of abstract acceptance latest by 1st Aug 2021 as well as to be invited to submit extended abstracts by 8th Aug 2021. All accepted presentations made at WES 2021 will be published in the conference proceedings.

For enquiry, please email to wes@iesnet.org.sg
