SINGAPORE INTERNATIONAL WATER WEEK 2022

THE GLOBAL PLATFORM TO SHARE AND CO-CREATE INNOVATIVE WATER SOLUTIONS

17 – 21 April 2022

Sands Expo & Convention Centre
Marina Bay Sands, Singapore

SIWW2022 WATER CONVENTION CALL FOR PAPERS IS NOW OPEN!

We invite you to submit your abstracts for the Singapore International Water Week (SIWW) 2022 Water Convention, taking place physically in Singapore from 17-21 April 2022.

Have an innovative solution or best practice that would make a positive impact towards a water secure future for cities and urban communities globally? Submit your abstract today for this unique opportunity to share your findings with global water leaders, experts and practitioners at SIWW2022. The SIWW2022 Water Convention is co-organised with the International Water Association.

INVITATION FROM CO-CHAIRS OF THE SIWW2022 WATER CONVENTION PROGRAMME COMMITTEE

We warmly welcome you to join us for the 10th edition of the Water Convention, one of the flagship events of the Singapore International Water Week (SIWW).

Over the past editions, the Water Convention has progressed to become a key global platform for researchers, practitioners and technology providers to inspire

ideas and collaborations through the sharing and discussion of their latest innovations, advances in technologies and best practices in the water industry.

Next year, Water Convention 2022 will be held as a physical event in Singapore at the Sands Expo & Convention Centre from 17 to 21 April 2022. The Programme Committee aims to continue our efforts to showcase the latest technologies, innovations, strategies and best practices for safe, sustainable and clean drinking water, effective used water management, and resilient and liveable cities. The programme will also include a new focus area on nexus and circularity to examine the system of systems approach and explore circular economy strategies to tackle global water challenges.

ABOUT SINGAPORE INTERNATIONAL WATER WEEK

The Singapore International Water Week (SIWW) is the global platform to share and co-create innovative water solutions. Comprising the Lee Kuan Yew Water Prize, Water Leaders Summit, Water Convention, Thematic and Business Forums, Water Expo, TechXchange and Young Water Leaders Summit, SIWW delivers a range of flagship programmes and platforms that bring together the global value chain of water to share the latest in business and technological innovations, as well as policy developments in water.

One of which is the Water Convention, aimed at gathering professionals and technology providers to share their knowledge, practical experiences and novel technologies to address the current and emerging water challenges. Through high quality presentations on technological innovations, management strategies and best practices, the Water Convention technical programme focuses on spurring knowledge sharing, fruitful discussions and engaging debates among water leaders and practitioners.

SIWW2022 will be held in conjunction with the World Cities Summit (WCS) and CleanEnviro Summit Singapore (CESG) from 17-21 April 2022. For more information, please visit www.siww.com.sg.
